

Aug. 31st, City.

Mrs. M. Werner,

Pray excuse this very short note. I had graduated from Tokio Imperial University 11 years before, and was working for education of adult working class, on which purpose, I spent last year on herry world tour.

Returning from my journey, I have felt that it is my duty to do best for visitors to our land, because I had been shown many museums, libraries, and schools. Especially I was much interested in the Metropolitan Museum of New York and Boston Art Museum.

May I ask you whether you should like to see (1) Zojoji temple in Shiba Park, Shogun's Tomb on the background, (2) Sohdeji temple at Tsurumi, half an hour from the city, (3) Kenchoji and Jufukuji, old temples at Kamakura, famous historical place, as much as curious treasures of their inner parts and ancient arts they contain, some hurted but most of them remained safe from the earthquake. If you should like to be introduced to the archbishops of those famous temples, I'll soon arrange for you, because I know some of them personally. If you stay longer, I'll be very glad to introduce some good artists to you. Our association, Kyocho Kai, that is a center of social work, has a big public hall, museum of industrial efficiency, and special library.

Awaiting to hear from you at your early convenience,

Bin-iti Yamada,

Kyo-cho Kai, Shiba Park, Tokio
