Mrs. Murray Warner,
668 East 13th St.,
Eugene, Oregon.

My dear Mrs. Warner:-

Through the kindness of Mr. Metcalf I have received a set of instruments and slide rule which were the property of your husband, Murray Warner. I understand that it is your desire that these should be given to some deserving student, and I shall be pleased to carry out your request.

I knew your husband quite well as a student, and had the pleasure of meeting him after graduation in Shanghai, China. It was with a shock that I heard of his sudden death last October, as he still seemed to me to be a young man. I suppose all my old students will appear young to me no matter how long I live. You can well be proud of the work which your husband has done for the welfare of the world.

Sincerely yours,

Alfred E. Ruston
Dean.
