

Miss Grace Waidner

3312 West North Avenue, Baltimore 16, Maryland

Dear Mrs. Garner,
I thought you would
like to know that Mrs.
Warner is fine again.

Mr. Warner is in a
hospital in Boston and
an operation will be
performed on a varicose
vein in his leg - today.

He returned from
South America ill - a
blood clot had formed
on his lung and the
doctors thought that the
vein was a contributory
cause. Sorry for mis-
takes - Mrs. Warner is
asking me one question.

after another while I
write. I will stay in
Washington in the apt.
112A this winter the weeks
I am off, so the last of
this week will be spent
down stairs.

Mrs. Warner sends her
love + says she often
thinks of you.

Sincerely
Grace Waidner
