Colurn Hotel
Eugene, Oregon

Dear Mrs. Warner,

I received your card and check and was so pleased to think that you remembered me. Thanks a great deal.

I have such a wonderful memory of your mother. She was always so sweet and kind to me. There is many an hour I lie there in bed and think of the time when she and I were together.

Now, your brother has been very generous to me. It has been a big help.

I feel very grateful for what you and your brother have given to me, because, I know that when I worked for your family, I was always well paid and cared for; so what you are doing for me now is being done from the goodness of your hearts.

I am in pain a great deal of the time, and do not get up at all. However, I am still able to do some reading, for which I am thankful.

Thanks, dear Mrs. Warner, for thinking of me. Your kind message written on the card has pleased me so much. I have read it over and over.

Sincerely

Essa Levin
