March 10. 1931.

My dear Mrs. Warner —

I arrived in Boston today having left Tucson last Sunday. I was really sorry to leave your mother for I had become much attached to her and admire her. I decided after thinking every —

thing over ² thoroughly
that it was the best
thing to do. Sometime
when I see you I will
tell you all about
the situation. I am
sorry for Mrs. Bass
in many ways.

You have been so very
kind and understanding
that it has been a
joy to have known
you. Your mother is
in fine physical

condition. I hope
your interesting
work is progressing
satisfactorily. It seems
strange to see the snow
after the continual
sunshine of Tucson,
but in many ways it
is nice to be back in
Boston. I am staying
here for a few days
until I get located

In case you write ⁴ me.
