Dear Mrs. Warner:

In further reference to the shipment for Miss Hodson at Seattle through the American Express Co., be advised that our office at Seattle just informed us that Miss Hodson's shipment is moving under a through bill of lading to North Carolina via San Francisco, and if you wish us to take this up with the American Express Co. at San Francisco, kindly let us know tomorrow.

You also have a shipment through the American Express Co., but this is coming direct on the SS "WASHINGTON" to Portland. This steamer is due about the 28th instant.

Yours very truly

GEO. S. BUSH & CO., INC.
