Dear Mr Devagutra:

The invitation from Mr and Mrs Daniel to your wedding has only just reached me, as it has followed me around the country and had to be forwarded several times.

I very much wish that I could have attended your wedding, but since I am so far away all that I can do is to send you my very best wishes for your happiness and well being.

With kindest greetings to Mrs Devagutra and hoping to see you both some day here in the United States, I am

Very sincerely your friend,
