CAUTION.

It is particularly requested that no Cheques be drawn on Bank paper or on any form other than that issued by the Bank; that no Blank Cheques from this book be given to strangers, even if they represent themselves as Customers of the Bank, and that under no circumstances whatever are Cheques to be given to unknown persons in exchange for Cash.

The Cheques only to be used for drawing on the Office for which they are printed.

All Cheques to be filled up in ink. Any alteration to be confirmed by the initials of the Drawer.

For your security in sending Cheques through the Post, or otherwise paying them away, you should "cross" them thus. They can then only be paid through a Bank, and when you are acquainted with the name of the Bank of the person to whom you send or pay a Cheque, you should write the name of that Bank in the crossing before the words "& Co.," and the Cheque will then be paid only to that particular Bank.
