

UNIVERSITY OF OREGON
EUGENE

Office of the President

Mrs. Murray Warner
Hotel Oxburn
Eugene, Oregon

My dear Mrs. Warner:

I have just been informed of your generous gift to the University of your Steinway piano to be used by the Associated Women Students. I little thought when I wrote to you a couple of weeks ago that I should so soon have another occasion to express to you my gratitude and appreciation of your anticipation of the needs of our students. This gift will be of the greatest value to the University, and the Associated Women Students should cherish it deeply. It satisfies an aesthetic need and will go far towards building up that appreciation of beauty and the arts which we are constantly trying to create. May, may thanks for your thoughtfulness, your assistance and your generous acts.

Sincerely and cordially yours,

C. Valentine Boyer,
President.

Mr. Henry James
Hotel Oregon
Portland, Oregon
My dear Mr. James:

I have just been informed of your interest in the
University of your father's name as he was by the association
from Portland. I think I should like to see a copy
of some of the things you have written recently in
reference to you as President and representative of your college
and of the work of our country. I think it would be
interesting to the University, and the students here
to know what you think of the country. It would be an
interesting thing to know what you think of the
country and the work which we are constantly trying to
do. I am sure that your thoughts, your actions,
and your opinions are.

Sincerely and respectfully yours,

W. B. ...

President
