Mrs. Gertrude E. Warner,
Osburn Hotel,
Eugene, Oregon.

Dear Mrs. Warner:

The Advisory Board of the United Christian work on the campus of the University of Oregon have asked me to convey to you the thanks and appreciation of the Board in connection with your very fine contributions to the comfort and welfare of a number of young men on the campus. Your action in that regard is particularly refreshing in the cases of students from other countries who have been aided by your generosity.

I am also instructed to thank you for your generous proposal to contribute to the re-decoration of the "Y" hut.

Please accept through me this letter as an expression of the regard and appreciation in which you are held by the Advisory Board.

Sincerely yours,

E. J. Temple, Secretary.
