All checks listed are credited subject to final payment to us. This bank assumes no liability for the failure of any direct or indirect collecting agent in receiving checks, drafts, or other paper on deposit, but shall only be liable when proceeds or actual funds or solvent credits shall have come into its possession. The acceptance for deposit of checks on this bank shall not be deemed payment thereof, and if during the day of deposit, upon balancing, it appears that the drawer has not sufficient funds, such checks will be charged back to the depositor's account and prompt notice given thereof. In making this deposit, depositor hereby assents to all the foregoing conditions.

All checks listed are credited subject to final payment to us. This bank assumes no liability for the failure of any check or its direct collecting agent to receive check, draft, or other paper on deposit, but shall only be liable when proceeds or actual funds or account credits shall have been paid to the depositor. The depositor is advised that checks on this bank shall not be honored payment thereon, and it being the duty of depositor upon banking, it is requested that the depositor has not withdrawn funds, such checks will be charged back to the depositor's account and prompt notice given thereon. In making this deposit, depositor hereby warrants to all the foregoing conditions.
