Dear Gertrude:

I have today sent Perkins a check for \$1000.
for deposit in your personal account. I am enclosing
herewith receipt for dividend just paid today. Will
you please sign and return it to me?

There isn't much news that I know of. I had
letters yesterday from Robert, Sam, and Perkins, and
this morning I had one from Abba. She has found things
very pleasant in Orlando and proposes to stay for a
while longer. The weather here has been so varied
that I am glad she has not been here.

Sincerely yours,

Harry Edmonds.
