Chicago, Ill.

Dear Harry:

I have just sent you by regular mail, special delivery, my income tax exemption list. When your letter came asking me to send it on to you as quickly as possible, my Secretary was on her Christmas vacation, and my check books were in the Museum, so I had to wait until Mabel Kleckars Garner returned to her work. She has now copied it all and sent it on to me for my signature. I hope it will reach you without any farther delay, and that you will not be inconvenienced by its not having arrived before.

All is going well here.

With kindest regards

Very sincerely yours

Certrude Bass Warner
