My dear MrEly:

Enclosed is the signed receipt for the one thousand dollars. Thank you very much.

If things work out the way I think they will, I am planning to go to New York for the Museum directors conference from May 11th-13th. On my way thru I shall be in Chicago for two or three days at the Hotel Stevens. Mabel Klockars Garner is going with me, so that she too can attend the conference. I hope to see you while I am in Chicago.

Yours very sincerely,
