Mr Harry C Edmonds  
25 East Jackson Blvd  
Chicago, Illinois.

Dear Harry:

I am enclosing my last letter from George so that you can put it in your files and I am also sending you a copy of my letter to him for your files.

Your handling of this situation in the efficient way that you are doing is a great help to me.

Hoping that you will all have a Very Happy New Year.

Very gratefully yours,

Gertrude Bass Warner
