Dear Gertrude:

I acknowledge yours of October 25th containing letter from George. After having read the letter and had it copied for my files, I am sending it on to you as it may be of interest. I shall not write to George at once but I am expecting to see ~~him~~ for a talk at least within the next ten days. I shall at that time advance a program which I think it would be well for us to adhere to. If we are to do this I would advise you in writing to George to avoid all reference to business matters.

As I wrote you yesterday, we are contemplating another of our celebrated conferences. Abba is in fine fettle and is making plans to go to Florida to spend Thanksgiving with her brother. As a matter of fact I think she would be on her way now were it not for Robert's coming visit.

Sincerely yours,

H. C. Edmonds
