

Sept 23, 1904.

My dear Harry:

I was delighted to receive the peak
age of daguerreotypes. I took them over and showed
them to Mrs A/oss, Mrs Brett, and Mrs Kendall. Bell
agreed with me on the pictures of my aunt Fannie,
my aunt Kate, and my uncle William. On my way thru
Chicago, I shall show them to Perkins B and his fam-
ily and I think they may be able to recognize some
of the others, as I think there is probably one there
of Perkins B's father.

Sam and Helen reached home safely,
after taking Winthrop Wilson and his wife back to
New York. They tell me that they had a very nice
time.

With kindest regards, I am

Very sincerely yours,

Gertrude Bass Warner
