Mrs. Murray Warner,
Cambridge-Continental Hotel,
Cambridge,
Massachusetts.

Dear Mrs. Warner:

I have your letter of June 27th. I resumed the monthly payment to William Bass June 1st and shall continue to send a check on the first of each month. I haven't had time to look up to see how the account stands but I believe your contribution carries you through the present year. In any event, I will advise you when more is necessary.

Mrs. Simonds and I were in the East early this month for Betty's graduation but did not get as far north as Boston. We are having an extremely hot spell here now but I trust it will not last through the summer.

Sincerely yours,
