

CHICAGO, January 3, 1924.

Mrs. Murray Warner,
Hotel Osburn,
Eugene,
Oregon.

Dear Mrs. Warner:

I am sending you herewith a letter received from the University of Chicago relative to the pictures we sent to them.

We had a very delightful Christmas here, and hope yours was pleasant. During the week the weather went everywhere from 10' below to 48' above but despite that it did not spoil things. Betty is with us through this week and then returns to School.

You told me to write you after January 1st relative to the fund provided to put Robert Smith through Northwestern. Your participation in this was to be \$200.

A distribution to you of \$10,000. from the Trustees income was made last week, but I assume you have been advised of this by Sam.

Very sincerely yours,

H. C. Edmunds
