CHICAGO, November 15, 1933.

Mrs. Murray Warner,
Osburn Hotel,
Eugene, Oregon.

Dear Mrs. Warner:

I have your letter of November 10th and have advanced to Robert Smith \$400. as agreed. This has been given him with the distinct understanding that it is to carry him to graduation at Northwestern. Following your suggestion I am going to carry this in the office until after January 1st when I will communicate with you about it again.

I spent last Friday afternoon and Saturday morning in Boston in a necessary meeting with Robert and Sam. We had dinner at Sam's house and about 11:30 at the close of the conference Sam and his wife drove us back downtown. I had a little visit with the boys and was certainly surprised at the way they have grown since I saw them about a year ago.

Robert is here now but will be leaving for the West very soon. We are gradually getting things straightened around to a point where we know at least what we want to do.

Sincerely yours,

H. C. Edmund.
