CHICAGO, Aug. 8, 1933.

Dear Mrs. Warner:-

I have just learned from Perkins that you did not get away as planned. Am exceedingly sorry, and hope that you will get started August 15th as I now understand is your plan.

You will recall my speaking about sending a monthly check to William Bass. I wrote Robert about this and have received his instructions to make a monthly remittance. As I understood this was to be shared equally by you and Robert. The amount will be \$300 a year. Would you wish to send me a check for your half of this, or if not, just let me know how you want it handled.

Very sincerely yours,

H. Edmund.

*P.S. I have made the
initial remittance.*
