Dean Hazel Schwering

Eugene, Oregon.

My dear Dean Schwering:

I am enclosing a check for \$ 200.00
which I wish to be used by the Committee of the Emergency
Relief Fund for Students.

Since the idea of the Museum, the Museum
Library, and the Essay contest is to establish friendly re-
lations with the Orient, it is my plan that this money should
used for the benefit of women students studying in that
field.

I should like to add one exception to
this and that is the case of Mega Means, whose fees I would
like to have paid from this fund.

It is my idea that if a job can not be
created so as to give the girls an opportunity to earn the
money that they should receive it anyway for fees.

Very cordially yours,

Gertrude Bass Warner.

Dear Daniel Schreier

My dear Dan Schreier:

I am enclosing a check for \$200.00 which I wish to be used by the Committee of the Emergency Relief Fund for Students.

Since the idea of the Museum, the library, and the many projects is to establish friendly relations with the Orient, it is my plan that this money should be used for the benefit of women students studying in that field.

I should like to add one exception to this and that in the case of Miss Means, whose case I would like to have paid from this fund.

If it is my idea that if a job can not be created so as to give the girls an opportunity to earn the money that they should receive it anyway for less.

Very cordially yours,

Gertrude Lane Warner
