

July 21, 1933.

Dear Mrs Fritchard:

Your letter of July 11th sent to Tucson, Arizona has been received. I think it is fine that you have received the scholarship to the Art students league of N.Y. and I hope that you will be able to take advantage of it.

I am sorry to say that I can not help you in this matter as my budget along these lines for this coming year is all taken up. I am writing to you at once hoping that you will be able to make the loan thru somebody else.

With all good wishes,

Sincerely yours,

Gertrude Bass Warner,

Dear Mrs. Williams:

Your letter of July 17th was so kind,  
kindness has been received. I think it is fine that you have  
received the responsibility to the 100 students of N.Y.  
and I hope that you will be able to take advantage of it.  
I am sorry to say that I can not help  
you in this matter as my budget about three lines for this  
month just is all taken up. I am writing to you to  
hope that you will be able to make the loan this month  
also.

With all good wishes,

Sincerely yours,

Carlisle J. Hart
