

JAPANESE EMBASSY

WASHINGTON

July 30, 1923

My Dear Mrs. Warner:

I have read your book with pleasure, not alone because it deals intelligently with many misunderstood customs of Japan, but on account of the kindly spirit in which it is written. I share your hope that it may help to create a better feeling between East and West, and I believe it is a real contribution toward a better understanding between your nation and my own.

Sincerely yours,

M. Hanihara.

Mrs. Murray Warner.

My August 1st. 1923

Harry E. Peters
