My dear Dr. Parsons:

I thank you very much for inviting me to attend your conference dinner and to sit at the speakers' table. It is a mistake that I am related to ex-Governor Winant. He is an old friend of my brother, Robert P. Bass, and as such I have met him occasionally. I desire that this impression be corrected. I know it is just a mistake, but I do not want that impression to get out, it might appear that I have given it. My desire to attend the dinner was simply on the ground of Governor Winant's long friendship with my brother, and I am sorry that I shall not be able to arrange to be among the guests, on account of being detained in Portland until next week. Please convey my kind regards to Governor Winant and express my regrets that I will not be in Eugene at that time, for I should enjoy seeing him very much.

With kindest personal regards,

I have arranged to have the Museum opened at two o'clock on Friday afternoon and remain open until five. Mrs. Mabel Garner is coming from North Bend to open it. I should very much like to have Governor Winant see the collection if he has time.

With kindest regards

Yours very sincerely
