Peking, 25th May 1923.

To The Manager,
The First National Bank,
Eugene, Ore.

Dear Sir,

In accordance with request from Mrs. Murray Warner, as per her letter to you dated the 5th March, I am drawing on her, care of you, for the charges in connection with the forwarding of certain cases curios etc. sent to Portland for her.

The Shipping charges amounted to \$427.28 Mex: and in addition there is the item of \$270 for articles as per list, that she purchased and wished included in the Draft which I am drawing, as these were not paid for at the time she left this City.

As some of the cases are for Eugene, and others for Washington D.C., I have shipped them all as far as Portland Ore., from which point Mrs. Warner can divide them as they are intended.

Yours faithfully,

W. E. Clarke
