ENTERED ANSWERED

Dear Sir,

In accordance with request from Mrs. Murray Warner, as per her letter to you dated the 5th March, I am drawing on her, care of you, for the charges in connection with the forwarding of certain cases curios etc. sent to Portland for her.

The Shipping charges amounted to \$427.28 Mex: and in addition there is the item of \$270 for articles as per list, that she purchased and wished included in the Draft which I am drawing, as these were not paid for at the time she left this City.

As some of the cases are for Eugene, and others for Washington D.C., I have shipped them all as far as Portland Ore., from which point Mrs. Warner can divide them as they are intended.

Yours faithfully,

Bill Clarke
