

Harry E. Heathman  
Manager

530 Rooms

April 2, 1938

Miss Elizabeth Keith  
70 Abbey Road, St. John's Wood, N.W. 8  
London, England

My dear Elizabeth:

Your letter was forwarded to me from Eugene and, as always, I was very happy to receive it. We have an upset condition in my financial affairs, due to the long illness and passing of the man who had been in charge for many years. It has effected everybody concerned. I am not buying anything more for the Museum, and anything that you spoke to me about that you have not sent, please do not send to me. This applies to Jessie as well. Whatever I already owe you and Jessie I shall have to pay a little at a time.

I see Mrs. Willand frequently. She would be sending you her love if she knew that I was writing.

Don't you think it would be a good plan if everybody were to pick out all the articles on peace they could find and read them over several times every day. I think that would do a lot to prevent people from going to war.

I have been staying here at The Heathman during the past month, eliminating all social events such as dinners, luncheons, and teas. I think a quiet time and a lot of Christian Science study are very refreshing.

(T.) - Note -- Mrs. Warner finished this by hand.
