Dear Gertrude,

How kind & thoughtful of you to send that telegram which came this morning;

Mrs. Barker rang us up last night, & is to call on us this afternoon.

I shall tell you about it after she has gone.

I want to say thank you again for all your hospitality & lovingness. We did so appreciate it. I am so glad

that my work is thought fit
to be under the same
roof as your wonderful
treasures. Your Chinese
collection is an inspiration
those fortunate children
who grow up with a
familiarity of it cannot
help profiting by it.

Monday afternoon

Your dear letters came this
morning thank you so much
Dr & Mrs Barkel came yesterday &
were delightful - we dine with
them on Wednesday. We called
at the Museum this morning

The Portland

Portland, Oregon, U.S.A.

They are full up with exhibitions
until July. Mr Sweet
recommended, as also did
Dr Barker the large store
Meyer & (?) we called this
morning & tomorrow we shall
know whether we shall give
an exhibit there or not.

The "Art(?) Gallery" ^(in Meyer's) has some
terrible & horrible things in
it which put y teeth on edge.

Jessie is having her hair
shampooed else she would
be writing also. She has
your letters in her bag, so I
have not them at hand to
refer to. The Misses failed
to whom we had an introduction

is away on a motor trip &
will not be back for
several days.

I quite understand your
not going into society - you
were more than wise.

Even when one has strength
for it - what a profitless
unsatisfying life it is.

You do more than your bit.

With love & many thanks
again for all your kindness
we shall keep you posted
on what is happening.

Yours affectionately
Elizabeth Keith
Love to Mrs. Jarne.
