Miss Elizabeth Keith
1400 Milan Avenue - Care of Miss Bosbyshell
Pasadena, California

My dear Elizabeth:

I have written thanking you for the article about yourself for publicity purposes, for the book, Masters of Color Print, and for a picture of you. We have not received the photographs you mention. The letter was sent to 1400 Milan Ave., Pasadena - care of Miss Bosbyshell. I also told you in answer to your suggestion that the exhibition should last two weeks, that that would be satisfactory to me.

You have not yet written me the time when your train reaches Eugene and I would like to know.

I have ordered the glass and the moulding to support prints and glass, also some signs - ELIZABETH KEITH EXHIBIT - so we will be all ready for you. I am expecting you, according to your letter of February 26th, to reach Eugene March 23rd, but I would like to know definitely what train you will be on and its arriving time at Eugene. I shall be so happy to see you.

As we have no address for you in San Diego, which you wrote would be your next stop, I am sending one copy of this to Hotel Carille, Santa Barbara, and another copy to 1400 Milan Ave., Pasadena - Care of Miss Bosbyshell.
