Care of Miss Bosbyshell.

February 26th, 1937

Dear Mrs Murray Warner,

I am writing for Elizabeth to thank you for your very kind letter just received. We have twelve prints in small mats, the rest in large mats, and as we ~~to give you the exact sizes~~ have to be so careful, I enclose paper patterns of each size exactly.

I am also enclosing a catalogue, eliminating all the old prints, which Elizabeth tells me you have already seen. This makes the list, fifty prints exactly.

We shall let you know as soon as possible by which train we will arrive in Eugene on the 23rd. I am so looking forward to knowing you, and I think it is marvellously kind of you to entertain us.

Elizabeth says, do not trouble to have the prints in frames. They look best just under glass.

I enclose the sizes of mats of the prints.

With kindest greetings and Elizabeth's love.

yours sincerely,

Jemie M. Keith
