St. John's Wood, N.W.
London, England.

My dear Miss. Keith:

Your letter of May 14th was received. Mrs. Warner is still in Japan, but hopes to arrive in San Francisco June 28th.

As far as we know, no roll from you was received by her, but she may have received it and did not tell us about it. As soon as she gets to Eugene I will call it to her attention.

When we heard from her last she and Mrs. Perkins, our Curator who is with her, were well and having a wonderful time.

Yours sincerely,

(Signed, Miss. Pauline Walton)

Museum Librarian.
