ON BOARD SS. *Princess Kathleen*

Dear Mrs. Warner;

It was very kind of you to permit me to store my boxes and trunks at your steamer. Had it not been for your gracious consideration I would have been at a very great loss as to what to do. Thank you for the courtesy.

You asked me to enumerate the different boxes. They are as follows:

Boxes of books	-	six (6)
Trunks	-	one (1)
Boxes	-	two (2)

I marked the letters
