Dear Mrs. Warner;

I am indeed grateful for the contribution which you have made towards the subsidization of the projected Far Eastern Quarterly, both for myself and for the group of which I am a member. I have just written to Professor Cyrus H. Peake, of Columbia University, informing him of your aid and enclosing your cheque for twenty-five dollars. I am sure you will soon hear from him, both as an acknowledgement and expression of thanks.

As soon as the rush of examinations is over, I shall call on you to thank you personally, and to give you additional information about the Quarterly.

Sincerely yours,

Harold J. Noble
