Dear Pamphlet Subscriber:

I regret to inform you that we have discontinued our Pamphlet Series.

The last issue which we sent you was #27 - SKYWAYS OF THE PACIFIC.

However, your subscription runs through #28. Therefore you are entitled to **one** more pamphlets on your present subscription.

We shall be glad to fill the remainder of your subscription with one pamphlets already published (see enclosed list).

Or, we shall be glad to fill the remainder of your subscription with **one** issues of the FAR EAST DIGEST which has been published monthly, January to May 1948. This Digest contains summaries of selected current periodical material on the Far East and is issued monthly in mimeographed form.

If neither of these offers is of interest to you, we shall of course be glad to return the amount of your unexpired subscription, namely 17¢.

Would you please indicate your choice on the enclosed sheet?

Of course the best way to be kept informed of IPR publications is by being a member of the American IPR. If you are interested in Far Eastern affairs and want to keep up to date on what is being published in that field, you will find of value the enclosed brochure on IPR membership and its two journals PACIFIC AFFAIRS and the FAR EASTERN SURVEY.

Sincerely yours,

Received
