Dear Mrs. Warner:

You are cordially invited to attend a joint meeting of the Institute of Pacific Relations and the China Club Board of Trustees, to be held at the Rainier Club Tuesday evening, January the 11th, at 6:30 p.m.

The purpose of the meeting is two-fold: to celebrate the repeal of the Chinese Exclusion Act, and to conduct a forum on the significance of that repeal and the program or policy which should be adopted in the future.

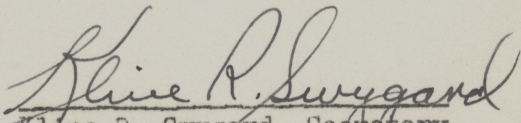

The following program has been tentatively planned: Dr. Charles E. Martin will discuss the immediate consequences of the repeal with a particular emphasis upon legal consequences; Dr. Franz Michael, Consul Kiang Yi-seng, and a speaker to be selected will discuss the more general problem of expanding and improving Sino-American relations. Dr. Michael will speak on ideological relations; Consul Kiang Yi-seng will speak on the Chinese point of view, and another speaker on economic relations. Mr. Benjamin H. Kizer will conclude with proposals as to what the Institute of Pacific Relations might do to further good relations with China in particular and the Far East in general.

Reservations are being limited to 30, so please indicate as soon as possible whether you will be able to attend by calling MELrose 0630, local 593 between 1:00 and 5:00 p.m., or by writing Mr. Kline Swygard, Secretary, Bureau of International Relations, Social Science Hall, University of Washington.

Sincerely yours,

PLANNING COMMITTEE:

Dr. Charles E. Martin
