Mrs. Gertrude B. Warner,
Osburn Hotel,
Eugene, Oregon.

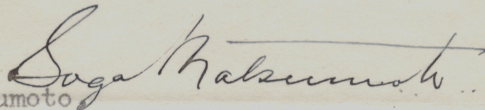

Dear Mrs. Warner:

I have received a number of old Japanese books printed in the Eighteenth and early in the Nineteenth Century, which I collected while in Japan for the material to be used in my thesis on "An Introduction to Chinese Prints", which I consider very valuable to your Art Museum Library. If I dispose of these, I should like to dispose of them as a collection, and I am considering your Art Museum first and am eager to show them to you.

I shall be going to Portland, taking the books with me, and arriving in Eugene Saturday morning, (January 8th), at which time I am hoping to call on you.

Looking forward to an interview with you and an inspection of the collection, list of which I am enclosing in this letter, I am

Sincerely yours,

Sogo Matsumoto
