Dear Mr Matsumoto:

I received word that you had returned to the United States and that you had some prints to show me-some Korean prints. I was much pleased and immediately telephoned from Los Angeles to your office in San Francisco. I told them that if they would send those prints on here to me that I would take great care of them and return them promptly.

I started for Eugene on the evening of January 1st and arrived here at 3;45 a.m. January 3rd. I was in hopes that I would find that package when I arrived here. It has not arrived but I am looking forward to seeing it.

With kindest regards,

Very sincerely yours,

Gertrude Bass Warner
