San Francisco, California

Dear Mr Matsumoto:

I am returning your package by Railway Express insured for \$ 80.00. I did not open the package because Mrs Garner and I are not authorized to receive such packages and we do not decide on purchases for the Museum Collection. At the present time Mrs Warner is not making acquisitions to the Collection.

I returned to Eugene on Monday and you should receive the package in San Francisco the last of this week.

Very truly yours,

Lucy Perkins
