Mr Genchi Kato

Tokyo, Japan.

My dear Mr Kato:

I have recently received two very valuable contributions to our Museum Library, one of which was written and sent to me by my good friend, Mr Kato. This small brochure, written by you and published by the Board of Tourists Industry of the Japanese Government Railways, "What is Shinto?" with its most attractive and interesting illustrations, will be a help to the American students when they go to Japan, as it will give them an understanding of the State Religion of Japan and some idea of what they are going to see.

The Kurozumi Sect of Shinto by Charles William Hepner published under the auspices of the Meiji Japan Society will be helpful to our students who are studying Shinto.

I greatly appreciate your kindness in sending these books to me. The Museum Library is steadily growing and is meeting its needs in connection with the Museum.

Hoping that all is going well with you and that you are enjoying good health, I am

With kindest regards,

Very sincerely yours,
