Miss Louise N. Warnke
Assistant to the Director
M. H. De Young Memorial Museum
Golden Gate Park
San Francisco 18
California

Dear Miss Warnke:

Thank you for your letter of December 3, explaining that Dr. Heil will not be back until December 23.

Our consideration of the possibilities in offering Dr. Jiro Harada the position as Director of the Warner Museum of Oriental Art to succeed the late Mrs. Warner is something that depends to a considerable extent upon what Dr. Heil might have to write in regard to the question of Dr. Harada's qualifications. We are postponing any further action, therefore, until we can hear from Dr. Heil.

If Dr. Heil will be so kind as to write to us shortly after his return, there ought still to be time enough to proceed in one direction or the other during the month of January.

I should be grateful to you for calling the question to Dr. Heil's attention upon his return.

Yours sincerely

Wallace S. Baldinger
Associate Professor
