My dear Baldinger,

Thank you very much
for thinking of me, for your card
and invitation to the lunch on Friday.
I am only sorry that I am tied up
here and shall be unable to come.
Monday I was in Seattle and had
the pleasure of a ten minute
visit with Mr. Harada. He seems
much older physically, but is as
keen and delightful as in the
old days.

Again thanking you,
I am,

Very truly yours,
A. P. Moore
