Dear Doctor Baldinger:

I am returning the letter of Dr. Harada. I call it a period letter - a letter which brought us to a full stop. Dr. Harada is extremely conscientious and doubtless the work he has in hand seemed mountainous and too burdensome at the time to justify him in taking on any more work.

At any rate we did our part and doubtless he is appreciative for it all. We may have better luck later.

Very Cordially,

Burt Brown Barker
