My dear Dr. Jameson,

To my surprise I learn from you for the first time that you are a member of the Murray Warner Essay Contest Committee. I am very sorry indeed that nobody informed me about this. Your name does not appear in the Catalog for 1931 - 1932 under the list of members of the Warner Committee. The catalog lists Godfrey and Hazam; thus there seems to be an error in printing as I said before.

I am at a loss to understand why I as chairman of the Committee should not have been informed by anybody about your appointment, so that I could have invited your co-operation. I would have been delighted to do this.

Yours sincerely,

(Signed) J. R. Mez
