Mrs. Gertrude B. Warner
Tucson, Arizona

My dear Mrs. Warner,

Thank you so much for your kind letter. I am delighted to inform you that my separation from the University is not an accomplished fact: the Board of Regents at its meeting yesterday has rejected Dean Gilbert's proposal.

I am glad to know that you have agreed to one of the students going to Japan. The best paper contains 6000 instead of 5000 words, we may have to reject it on this ground, in fairness to the other contestants.

The announcement will be out on May 1.

Sincerely yours

John R. Mez
