My dear Mrs. Warner,

It is a pleasure to report to you that the Prize Essay Contest has been successfully concluded. The nine awards have been made after careful deliberation. I understand that you have already been informed about the winners of the contest.

A catalogue on books on the Far East has been mailed to you at my suggestion today. I should like to call your attention particularly to a few rare and unique art works on China and Japan, especially the work of Stein which is not yet represented in your library. I trust that you also received the mimeographed list of Oriental books from Berlin, about three weeks ago. Mrs. Mez's brother who is assistant curator at the Berlin Art Museum has taken special pains to secure this list and will be delighted to assist you in securing some of these Chinese and Japanese works most of which are not in German, but chiefly original old Chinese art products, very rare and old.

Mrs. Mez and I leave for the East in two weeks. On June 17 mail would reach us care  
Mrs. Ernest Lilienthal, Four Hills, Rahway Rd.  
Plainfield, New Jersey.

Please write me if I can be of any service to you.

Very sincerely yours,

*John R. Mez*
