My dear Dr. Mez: -

I had just received your letter including the announcement of the Warner Essay Contest for which please accept my hearty thanks.

Thinking that you and Mrs. Warner are living in Portland, I stopped out Portland, but I was greatly disappointed. If you should see Mrs. Warner when she comes back from the East, please give her my best regard and thank her for what she is doing for betterment of our relations. Such plans are more effective than anything else, I believe. Some time I may be able to see her and you for a talk.
