DEPARTMENT OF HISTORY
EUGENE, OREGON

March 6, 1936.

Dear Mrs Warner:

I'm sorry that I do not have a copy of Mr. Goodenough's essay, but I gave the contest copy to your librarian with the other essays in 1933. I shall get in touch with Mr. Goodenough and see whether he has a carbon copy which he will spare. Most of the contestants do not make copies, but Mr. Goodenough is more careful than most and probably has one.

I hope you have kept in good health despite the trying weather we have been having.

Sincerely yours,
Harold Noble
