

Dear Mrs. Warner,

On Christmas Day I've used these  
for place cards for the boys, and it occurred  
to me you might like them too. I wish  
all the boys were in the pictures but these  
were only snaps + several are not in either  
one of them. It is hard to get them all  
together at one time. The small one  
includes Joe and King who are not in  
the large one. The girl is Nettie Lee  
Whittenberg who is the daughter of our  
lovely cook.

Yours for a happy New Year  
Pearl D. Truitt
