My dear Mr. Jones:

I think you for your note. It certainly gave me great pleasure to be able to join in your festivities on the evening when you held open house for the entertainment of your friends.

I have been wanting to send you a little check to help in the balancing of your budget and I was wondering to what member of your organization I should send it when your card came. Inclosed please find a check for \$50.

With all good wishes to you all.

Sincerely yours,

Director
FINE ARTS MUSEUM.
